Games Per Day. No more than two interschool soccer games per day, including tournaments.
Exception: three games may be played in a one-day tournament on a Saturday.

Games Per Week. No high school team or contestant shall participate in more than two matched games per calendar week. The week of an invitational tournament only one matched game may be played.

Double Header. A student may play in a varsity and a junior varsity game or a ninth grade and a junior varsity game at the same site, the same night. It counts as the two total games the student may play for the calendar week and two of the total games for the season. Students may not play in a tournament the same week as they play in a double header.
**Number of Teams and Type of Play.** A tournament is defined as at least three teams assembled at one site for competition.

**Scheduling.** Schools shall not schedule tournaments on Monday, Tuesday, or Wednesday, unless school is not in session.

- Schools may schedule tournaments on Thursday, Friday, and Saturday. A two-day tournament shall not be scheduled on Thursday and Friday. A one day tournament must be scheduled on Saturday.

**Pool Play.** Teams can play regulation games (two per day) in pool play, or they can play shortened pool play games of 20-minute halves with sudden death for ties. If teams are playing 20-minute halves pool play games, all pool play games combined would count as one of the two allowable games for that day.

TIE BREAKING PROCEDURES

**Tie Games. (Invitational Tournaments)** In an invitational tournament, the tournament director shall set the tie breaking procedure to be used.

**Tie Games. (District)** Each District Executive Committee must decide whether to (A) end the game in a tie resulting in ½ game lost and ½ game won; (B) play two 10-minute overtimes; and/or (C) move directly to a shoot-out.

**Tie Games. (Post-District)** All playoff games that end in a tie will be resolved by playing two 10-minute overtime periods. If the tie still exists, there shall be a shoot-out.

- May be made up as an exception to the school week limitation provided it is made up on the next available date.

Warm-up Games

- Only teams who are district champions and have a first round bye in the play-offs are given a game in addition to their season limit.
- Teams that have advanced to the playoffs may schedule a warm-up game after the District Certification Date that is set by the UIL calendar and before their first playoff game if a team has not reached their allowable season limit. School week limitations apply. **Note:** These games are scheduled like any other regular season game.
**Regular Season Penalty Card Player Misconduct Rule.** Points for yellow and red card shall accumulate for all games played through the district championship (includes tournaments, non-district, and district contests). Each player accumulates points for each card that he/she receives in a contest.

- **Yellow Card = 1 Point**
- **Red Card = 5 Points**

A soccer player can accumulate a maximum of 5 points in any one contest. Any accumulation of points, which are multiples of five or greater, will require that the player sit out the following numbers of games:

SOCCER CARD POINT SYSTEM

The school coach and/or school administrator responsible for soccer must be sure that the red and yellow cards are recorded correctly. The coach must hold a player out of the specified number of games depending on the players point count for red and yellow cards. Failure to do so could cause forfeiture of the contest and penalty to the coach for intentionally violating rules.

Card Procedure for Post District. The student’s cumulative card points return to 0 with the first playoff game after they sit out the number of games specified. Card penalties may NOT be served in playoff warm-up games. Warm up games are NOT considered playoff games. Points accumulated in warm-up games go against the total for the regular season.

Miscellaneous Information
Playing Rules. The current National Federation Soccer Rules shall govern League Soccer. Rule books may be ordered from the NFHS customer service office (800-776-3462) or online at www.nfhs.org.

NFHS rulebooks may also be available for purchase on iTunes, Amazon and other online sites.
3-4-3: The clock shall be stopped when a substitute by the team in the lead is beckoned on the field in the final five minutes of the second period only. Rationale: Rule affected by change in 7-4-3.

4-3: Improperly Equipped Players (18-1-1u) Cautions will not be issued for improperly equipped player(s). If not immediately correctable, improperly equipped player(s) shall be instructed to leave the field of play when the ball next ceases to be in play. The player(s) may be replaced. The removed player(s), if not replaced, may re-enter at the next dead ball only after reporting to an official, who shall be satisfied the player’s equipment and uniform are in order. Play shall not be stopped for an infringement of this rule except that the referee may stop play immediately where there is a dangerous situation.
5-3-1d: The officials shall: (d) call out "play on" and, with an underswing of one or both arms, indicate a foul which was observed but shall go un-penalized because penalizing the offending team would give an advantage to the offending team. If the referee applies the advantage, which was anticipated but does not develop at that time, the referee shall penalize the original offense.

7-4-3 NEW: The clock shall be stopped when a substitute by the team in the lead is beckoned onto the field in the final five minutes of the second period only. Rationale: Coaches in the lead will make multiple substitutions in the later stages of the match. This tactic is being used as a time-wasting ploy. Adding this rule will help the game to be decided by the players and not a coach who is wasting time when in the lead. These substitutes are usually players from the far side of the field that take more time off the clock. This addition would stop this practice.
9-2-1: The game is restarted with a drop ball:

a. When the ball is caused to go out of bounds by two opponents simultaneously;
b. When the ball becomes deflated;
c. Following temporary suspension of play for an injury or unusual situation and a goalkeeper is not in possession of the ball;
d. When simultaneous fouls of the same degree occur by opponents.

9-2-3: The ball is dropped by an official from waist level to the ground. Any number of players may contest a dropped ball (including the goalkeepers); a referee cannot decide who may contest a dropped ball or its outcome.

Rationale: This addition helps to provide clarity in the application of this rule.
9-2-5 (NEW): ART.5...The ball shall be dropped again if it touches a player before it touches the ground or leaves the field of play after it touches the ground without touching a player.
Rationale: This addition helps to avoid confusion and allow the rule to be more equitable under the circumstances.

9-2-6 NEW: ART.6...If a dropped ball enters the goal without touching at least two players, play is restarted with a goal kick if it enters the opponent’s goal or a corner kick if it enters the team's own goal.
Rationale: This addition helps to avoid confusion and allow the rule to be more equitable under the circumstances.

9-3: In case of a temporary suspension due to injury or any unusual situation the game shall be started by a drop ball at the point where the ball was when the play was suspended (except as noted in 14-1-7), provided the ball was not in the goal area and not in the possession of the goalkeeper. 12-8-2
Major Editorial Changes

4-2-6: Clarifies that the wearing of a cochlear implant is legal provided the device does not create the threat of injury.
