

The UIL is pleased to announce that Baden Sports has agreed to provide athletic balls for UIL Regional and State tournaments for the 2010-11 season.

Baden Sports, Inc., an independent, family- owned company, designs and produces quality athletic balls for various sports. The UIL is proud to use a ball provider whose production and quality assurance team directly oversees the manufacturing process on-site to ensure that all products meet Baden's stringent standards.

Below are the preferred athletic balls for UIL Regional and State Championship events.
