### **University of Texas-Trinity Parking Garage**

Located at the corner of Trinity and Martin Luther King Blvd. (MLK), one block northwest of the Frank Erwin Center. The rate for this garage is \$10 with NO in-and-out privileges. For a map of the location go to: <http://www.utexas.edu/maps/main/buildings/trg.html>

### **University of Texas-Brazos Garage**

### **Texas State Office Parking Garages/Lots**

There are several state office parking garages and lots within walking distance of the Frank Erwin Center. These lots are reserved for state employees with a permit on Thursday and Friday until 6 p.m., but are available to the public for a fee after 6 p.m. on weekdays and all day Saturday.

### **For Mobility Impaired Visitors**

University parking spaces for persons with disabilities are reserved for the University Class "D" Permit holders from 7:30 a.m. to 4:00 p.m. Monday through Friday. Those visitors with disabilities displaying the appropriately approved state plate or placard may park in any University parking garage space reserved for the persons with disabilities and pay normal parking fees.

Additionally, these visitors may park at surface disabled spaces after 4:00 p.m. with no University permit. They must display their appropriately approved state plate or placard. There is no fee for this parking.

Also, please note that Lot 108 (on the south side of the Erwin Center) meets stringent A.D.A. regulations. There are 29 spaces reserved for patrons who show a mobility impaired placard or plate. Consequently when those spaces are full, all others will be turned away until a space is available.

Access to the parking lot on the north side of the Erwin Center by the flagpoles is restricted to employees of that building until after 5:00 p.m. After 5:00 p.m. it will be restricted to mobility impaired guests with placards / license plates.

There are also mobility-impaired parking spaces in front of the Erwin Center along Red River Street. The mobility-impaired entrance is on Red River Street. Mobility impaired guests can enter here or be dropped off and meet their parties after the vehicle is parked.

### **Capital Metro**

Additionally, Capital Metro offers extensive bus service throughout Austin, including several park-and-ride lots. Call (512) 474-1200 for more information and be sure to ask when the last bus leaves the Erwin Center and the available service on Saturday. For more information, visit the Capital Metro web site at [www.capmetro.org](http://www.capmetro.org).

Shuttle buses to and from Highland Mall will not be available throughout the basketball tournaments.

## Spring is Here!

**W**ell everyone is finishing up district in basketball and gearing up for the playoffs. I hope everyone did well and we find your team deep in the playoff hunt or hopefully playing in the drum in March. This is a very busy time for athletics right now with basketball finishing up, soccer underway and softball, golf, tennis and track just getting started. I want to remind everyone please don't forget to nominate your athletes.

Sometimes as coaches we get so caught up in the playoffs or starting up the next sport that we just forget or overlook the deadlines for nominations.

All basketball nominations are due at 12:00 noon on the Monday (Feb. 25th) before the state tournament begins. Since we can nominate and do everything on line now it is easier and quicker than ever. So if you can, go ahead and get those in early and get it out of the way. Remember it is our responsibility as the head coach of our sports to nominate our student athletes. In turn this brings recognition not only to our individual athletes but also to our schools and programs as well.

Again I hope everything is going well for you and your teams and I look forward to seeing you in Austin.

## District Certification Date for Track & Field

**E**ffective on this date, the UIL has established April 16, 2008 as the certification date for track and field district meets and/or area meets. Districts are prohibited from scheduling track and field meets during the UIL Academic Regional Meets on April 10, 11, 12, 2008. Furthermore, district meets should not be scheduled in conflict with Regional Music competition.

The original calendar indicated the last date for district track meets was April 9, 2008. This shortened week was necessary because of conflicts with TAKS testing dates and Senate Bill 658, as well as the UIL Regional Academic Meet.

Schools, who hold their district meets between April 14-16, could still participate in a regional qualifiers meet provided the meet begins no earlier than the end of the last school day of the week.
