Area Track Meets - Pros & Cons

By RAY BACA

TGCA TRACK & FIELD COMMITTEE CHAIR

The TGCA Track Committee was recently asked to give their opinion on the possibility of changing the post-season qualifying format for track & field, in conferences 2A through 5A. The change that was specifically discussed was the addition of the Area track meet. Conference 1A currently uses this format; therefore, the discussion focused on conferences 2A through 5A. Discussion on this topic was brought forth with the idea of enhancing the Regional meet and also cutting costs to schools.

The TGCA Track Committee is made up of 16 members. There are two members elected from each of the eight TGCA regions. One member from each region represents conferences 1A-3A and one member represents conferences 4A-5A. So, there is an elected member for each group of schools in every region of the state.

Each member was asked to express their thoughts on the issue of adopting an Area track meet in Conferences 2A to 5A.

For those not familiar with the Area track meet, here is an explanation. First, each district would have their District meet. The top four competitors in each event, at District, would advance to the Area meet. At the Area meet, there would be eight competitors in each event. Of these eight competitors, the top four would advance the next weekend to the Regional meet. Under the current UIL classification plan there are eight districts in each region; therefore, there would be four Area meets in each region. With four area meets each qualifying four competitors in each event, the total competitors in each

event at Regional would be sixteen. This would give us the same number of competitors at the Regional that we had before the UIL allowed the current system of three from District to Regional, which brings the total number of competitors in each event to twenty-four. This process would eliminate the "regional qualifier meet" weekend, as this would become the Area weekend.

Here is an example of this process, using this calendar year's dates. On the April 17-18 weekend, District 1 has its District meet. The top four competitors in the 100 meters will advance to compete against the top four competitors in the 100 meters from District 2 on the weekend of April 24-25. These eight 100 meter Area finalists will now compete for the top four spots that will advance to the Region meet on the weekend of May 1-2. And as the current system allows, the top two places at the Region meet will advance to the State meet on the weekend of May 15-16.

As you can see, this would be a major change to the current system used by the UIL.

Over the past several weeks many "pros" and "cons" have been given.

Pros consist of:

- 1) The Regional meet would become more manageable for meet directors.
- 2) The Regional meet would be more competitive from top to bottom. There would less likely be "unqualified" competitors that now make it under the current system.
- 3) A great deal of money would be saved by

schools not having to send so many athletes to the Regional meet, usually having to spend at least one night.

Cons consist of:

- 1) Coaches would lose the "luxury" of giving athletes the weekend after District off, if needed for injury purposes.
- 2) Athletes would be less likely to make it to the Regional meet, but they would still be allowed their eight invitational meets anytime during the school year.
- 3) In most cases, schools wouldn't have as many athletes representing them at the Regional meet.
- 4) Athletes would be expected to be in "top form" three weeks in a row.

The debate currently continues and will continue for the coming weeks. The TGCA Track and Field Committee will formally meet on May 14 at 7:00 p.m. to discuss this matter and other issues concerning track and field in the UIL. If you have any thoughts on this issue please contact your TGCA track and field committee representative. You can find your representative and their email address at the following link: <http://www.austintgca.com/track/Committee/2008-09%20TR%20Committee.htm> or you can simply email me at: raybaca@herefordisd.net

Sub-Varsity Years of Service Recognition Award

(Adopted by the TGCA Board of Directors at the July 7, 2008, Meeting)

Sub-Varsity coaches with 5 and 10 years of service will be presented with a certificate at the General Business Meeting at Summer Clinic, and Sub-Varsity coaches with 15 and above years of service will be presented with a plaque at the Honor Awards Luncheon at Summer Clinic, as a Years of Service Recognition Award. Awards will be presented in five year increments. All Sub-Varsity coaches must be a member in good standing of the Texas Girls Coaches Association as of November 1 of the current school year to receive a Years of Service Award. The individual may coach multiple sports, but cannot be the head coach in volleyball, basketball, or softball. Sub-Varsity coaches meeting this criteria should submit their documentation to the TGCA office before June 1st of the qualifying year.

Congratulations!

The Texas Girls Coaches Association is proud to congratulate member coach **Chris Stricker** and his **Coppell Cowgirls** for winning the 2009 5A State Soccer Championship.
