

Texas Girls Coaches Association 67th Annual Summer Clinic and Exhibition Lead Retrieval Services and Form

Thank you for signing up to exhibit with us this summer in Arlington, TX! We are very excited for our 67th Annual Summer Clinic and we thank you for contributing to the success of coaches of girls athletics.

We are offering a Lead Retrieval System service for all vendors. The user-friendly, online lead collecting app will help you reach qualified buyers for your products and services. It's never been easier or more cost effective to help ensure a return on your exhibiting investment.

The service will be \$100 for the event and all you will need is a smart phone and our scanner app. When a coach comes to your booth just scan their badge to obtain their contact information. At the end of the show, we will run a report to help you get organized. We will send you a complete, downloadable file of your entire lead count within 7 days of the event!

If you would like more info or if you wish to purchase this service, please fill out the following form and return it to Lisa Rodriguez lisa@austintgca.com. Registration for this service will close July 5th.
