In addition to her individual honors, the coaching staff at Pearland High School has received the National Fastpitch Association Regional Coaching Staff of the Year award in 2009, 2010, and 2016.

The veteran coach has served on many different committees for the National Fastpitch Coaches Association, including serving as the organization's High School representative. In addition to her coaching duties, Coach Clark is the Girls Athletic Coordinator at PHS. Margaret McKown Distinguished Service Award Texas Press Association

Texas Press Association is the voice of the state's newspaper industry. The association promotes the welfare of Texas newspapers, encourages higher standards of journalism, and plays an important role in protecting the public's right to know as an advocate of First Amendment liberties. More than 135 years ago, 77 Texas newspaper publishers made the long journey across Texas to the fledgling town of Houston to establish a state press organization. On May 19, 1880, the association was founded, and J.W. Fishburn of the Mexia Ledger was elected the first president. Today, TPA continues to be the trusted source that Texas publishers turn to for information on editorial, advertising, postal, legal and legislative issues. TPA is a non-profit trade association with two affiliates: Texas Press Service

Inc., the for-profit advertising and sales arm of TPA; and the Texas Newspaper Foundation, a 501(c)(3) nonprofit corporation. TNF supports education and training opportunities for working journalists.

Texas Press Association is governed by a 30-member board of directors. This diverse group is composed of five elected officers, the executive director, six elected directors, eight appointed directors and 10 officers from the state's five regional press associations. With the assistance of volunteer committees, the support of its officers and directors and strong cooperation from members, TPA staff provide a comprehensive service program that fosters strong newspapers.

TGCA Sportswriter of the Year - Division I
Steve Gamel
Denton Record-Chronicle

Steve Gamel has been dedicated to covering high school sports for the past 24 years. He got his big break while in college when he was offered a job with the Lewisville News, and his first assignment was to be the beat reporter for the Flower Mound Marcus football team. The Marauders proceeded to go on a magical run to win a Class 5A state title at the Houston Astrodome, and Steve was forever hooked on what he believed was the greatest job in the world. More than two decades later, he still feels that way and has had the good fortune of covering some of the best teams and athletes in the state across all sports in boys and girls athletics. His career includes stints at the Dallas Morning News, Allen Publishing, and, currently, the Denton Record-Chronicle. He has worked for the Denton Record-Chronicle as both a freelance and full-time sportswriter since 2013 and has been recognized by the Associated Press Sports Editors and Texas Associated Press Managing Editors for articles he's written.

Steve believes in being a friendly, honest, and trustworthy journalist who goes about his job the right way and with class. He also believes his job description goes beyond keeping track of touchdowns, buzzer-beating 3-pointers, and hat tricks. He is known to many as “Newspaper Steve,” and he’s worked tirelessly over the years to build genuine relationships with coaches, players, parents, fans, loyal readers, and hundreds upon hundreds of fellow sportswriters from around the state.

Originally from Houston, Texas, Steve moved to Denton in 1996 and later earned his degree in Broadcast Journalism from the University of North Texas. When he’s not covering sports, Steve enjoys spending time with his family. He and his wife, Leslie, have been married for 16 years and have two boys: Christian (14) and Jackson (9). He has also owned a successful writing and editing services business called Edit This since 2014, where he writes and edits all types of written content for small businesses and individuals.
