Briefly explain your desire to become 2<sup>nd</sup> Vice President of TGCA

Serving as a director for TGCA for 12 years has been a very positive experience for me both professionally and personally. I am in the position in my career where I desire to do more for the organization that has done so much for me. As 2<sup>nd</sup> Vice President, I would dedicate my time and energy to assuring that the organization continues its mission to support and promote girls athletics across the state.
