Briefly explain your desire to become 2nd Vice President of TGCA (50 words)

I have been an active member of the TGCA throughout my coaching career. I have witnessed first hand the selfless efforts of the TGCA to not only be an advocate for girl's athletics but also take ownership in educating and developing young coaches. TGCA represents servanthood, provides us all with a platform to grow our profession, and reward our deserving athletes. It is a blessing to be a part of an organization that has established a strong relationship with the UIL and to be surrounded by people who are passionate about our student athletes. I would be humbled & honored to serve you as the 2nd vice president of the Texas Girls Coaches Association.
