Briefly explain your desire to become 2nd Vice President of TGCA:

My desire to be the 2nd Vice President at TGCA is simply the fact of how much I believe in the vision that TGCA has for the female athletes in the State of Texas. I have been able to see firsthand being the committee chair and vice chair for track and field that behind the scenes there are many people starting with Sam Tipton that truly believe in making sure that Girls Sports across the State of Texas is the best. I have been honored to be around great people who want nothing but the best for kids. I simply want to help grow what is in process. The vision that TGCA has for all Coaches of girls' sports is top notch and I believe that this is because of the people in place to support, encourage and teach. I would be honored to be the 2nd vice president of TGCA and continue to help the great success TGCA already has in place.
