Briefly explain your desire to become 2nd Vice President of TGCA (50 words or less)

I desire to become the 2nd Vice President of TGCA because I want to help make a difference and be a voice for coaches and athletes within our public schools. I want to help coaches feel they are confident in their profession, have a place to go to ask questions, and help provide resources for continued

growth within this career. I hope to be impactful with my experiences, ability to find answers and leadership qualities.
