Briefly explain your desire to become 2nd Vice President of TGCA (50 words or less)

I have had the honor and privilege to serve as coordinator or athletic director, along with being the head girls basketball coach and assistant track coach, during my eleven years at Eastland ISD. I feel these administrative and coaching duties are assets I can use to contribute to the day-to-day operations of the Texas Girls Coaches Association. I have been an active member of TGCA during my tenure as a coach of girls athletics. I have served on various committees throughout the years and have been a member of the Board of Directors representing Region II for the past seven years. I feel strongly the need for TGCA, as an organization, to promote not only girls athletics but to also be a proponent of all athletic programs in Texas. Athletics is and must always be an

instrumental part of our overall educational process. I truly respect TGCA for what it stands for today, and would appreciate the opportunity to be a part of the future success of our fine organization by being elected 2nd Vice President.
